alex, separately I was pinging Joel on a different business and asked if we can do something about Nathan. He said he was going to connect you to a litigator and so far haven't heard back from you. I don't think there is any harm in getting the facts set so I said to Joel to connect me with the litigator and you and I show up together for a chat. Is that ok? If not, I will just show up by myself and listen to what they may have to say

Looks like article will go out tomorrow or Friday so let's talk to him after it is out and we see what damage we have. May be nothing with all the CEL you need to buy

we did withhold some money from last couple of weeks of operations so that added together with this week's, we have some firepower
